

Devices for Families Survey

The DOE is requesting families to complete a survey sharing their best contact information over the next few weeks as well as whether they have access to a smartphone, a laptop/tablet/computer, the internet, or none of the above. This survey is required if you need devices for your children. We will use the information to prioritize device distribution and inform families of pickup location.

Link for survey:

coronavirus.schools.nyc/RemoteLearningDevices

Please complete this survey by Friday, March 20th. This information will be essential to support distribution of the devices.

Thank you for your cooperation in this matter.

Our school is listed as **I.S. 318 Eugenio Maria De Hostos** on the survey list.
Scroll down and our name will appear
